

The British Film Designers Guild Art Department Salary Guideline 2016

This structure is proposed as a guideline and will vary on the number of hours / days working per week, the amount of experience / time held at that position, the size of the project and where it is based. These figures do not include box / kit rental, computer rental, car allowance or mobile phone but do discuss them when doing your deal (some suggested allowances below).

Guideline shown in GBP £ and based on a 5 day week	Major feature film	Medium feature or large / international TV	Small feature or TV drama	Commercial (day) *2014 APA rates
Car allowance on top per week	£150 per 5 day	£120 - £130 per 5 day	£100 - £120 per 5 day	£30 computer allowance minimum
